

Disclaimer

This website has been developed by **VO Communications**, with funding from the European Commission to organise, promote and manage registrations for the *Science is Wonderful!* initiative and related activities, such as a competition for schools and a science fair. This website reflects the views only of the author.

Our goal is to keep the information on this website accurate and up-to-date. If errors are brought to our attention, we will try to correct them. Neither we nor the European Commission accept any responsibility or liability whatsoever with regard to the information published on this site.

Please note that it cannot be guaranteed that a document available online represents accurately an officially adopted text. Only the Official Journal of the European Union (the printed edition or, since 1 July 2013, the electronic edition on the EUR-Lex website) is authentic and produces legal effects.

Some data or information on our site may have been created or structured in files or formats that are not error-free, and we cannot guarantee that our service will not be interrupted or otherwise affected by such problems. Neither we nor the European Commission accept any responsibility with regard to such problems incurred as a result of using this site or any linked external sites.

This disclaimer is not intended to limit liability in contravention of any requirements laid down in applicable national law nor to exclude its liability for matters which may not be excluded under that law.

External link disclaimer

This website may contain “external links” to other websites over which we and the European Commission services have no control and for which we assume no responsibility.

When visitors to our website choose to follow a link to any external website, they are subject to the cookie, privacy and legal policies of the external website.

Compliance with applicable data protection and accessibility requirements of external websites linked to this website, falls outside our control or the control of the European Commission and is the explicit responsibility of the external website.

The purpose of any linked reference from this website to any specific external resource, online service or a website, is to enhance the information available and help visitors. Such linked references do not constitute endorsement by us or the European Commission of the specific external resource, online service or website, nor endorsement of the information, contained in the linked reference, nor endorsement of the organisations owning the external websites.

Privacy policy

Our privacy policy, including provisions on data protection, privacy policy, cookies use and other relevant considerations, is available on the dedicated [Privacy Statement](#).

You can also [see and customize](#) the information that we collect about you through cookies at the bottom menu of our website (click on “Cookie preference”).

Copyright notice

Copyright and all other rights for the *Science is Wonderful!* internet pages at www.scienceiswonderful.eu lies with the European Commission unless otherwise stated on the relevant page. The content and extracts from it may be passed on for educational, scientific or private purposes on condition that the source is named: © 2023, European Union, unless otherwise stated.
